Gerald,
it's really been great knowing you. You're a wonderful guy, like you this year. You've added something special to the class of every student here at Ragsdale. Especially me! Wow! Besides being the greatest academically, you've got a fabulous personality and a very pleasing sence of humor. Oh well, I could go on like this all day. Anyway, best of luck always and forever to a guy who deserves the very best of everything life has to offer.
Love ya,
Leatha

Gerald,
Believe it or not, I'll miss you next year. I wanted to date you that time but you know what happened because I explained it to you. You are a wonderful basketball and football player (but don't let it go to your head.) I hope I'll see you this summer.
Lots of luck to a crazy guy.
Love,

GERALD,

It SURE has been one hell of a year, hasn't it? I think the most fun was in Physics class and second, I guess, was English class. We sure have raised it, haven't we?

I think the most fun we had was back at the first of the year during football season and at the start of ~~bask~~ basketball season.

I don't know 'xactly how long I've known you, but I sure have had a lot of fun with you (this year especially).

Well I guess I'll see you out at the "lake" and at the beach this summer so it isn't good-bye. It sure was a great year though and I'll never forget it.

I want to wish you the best of luck next fall in college and all through your life. See ya this summer!

your friend

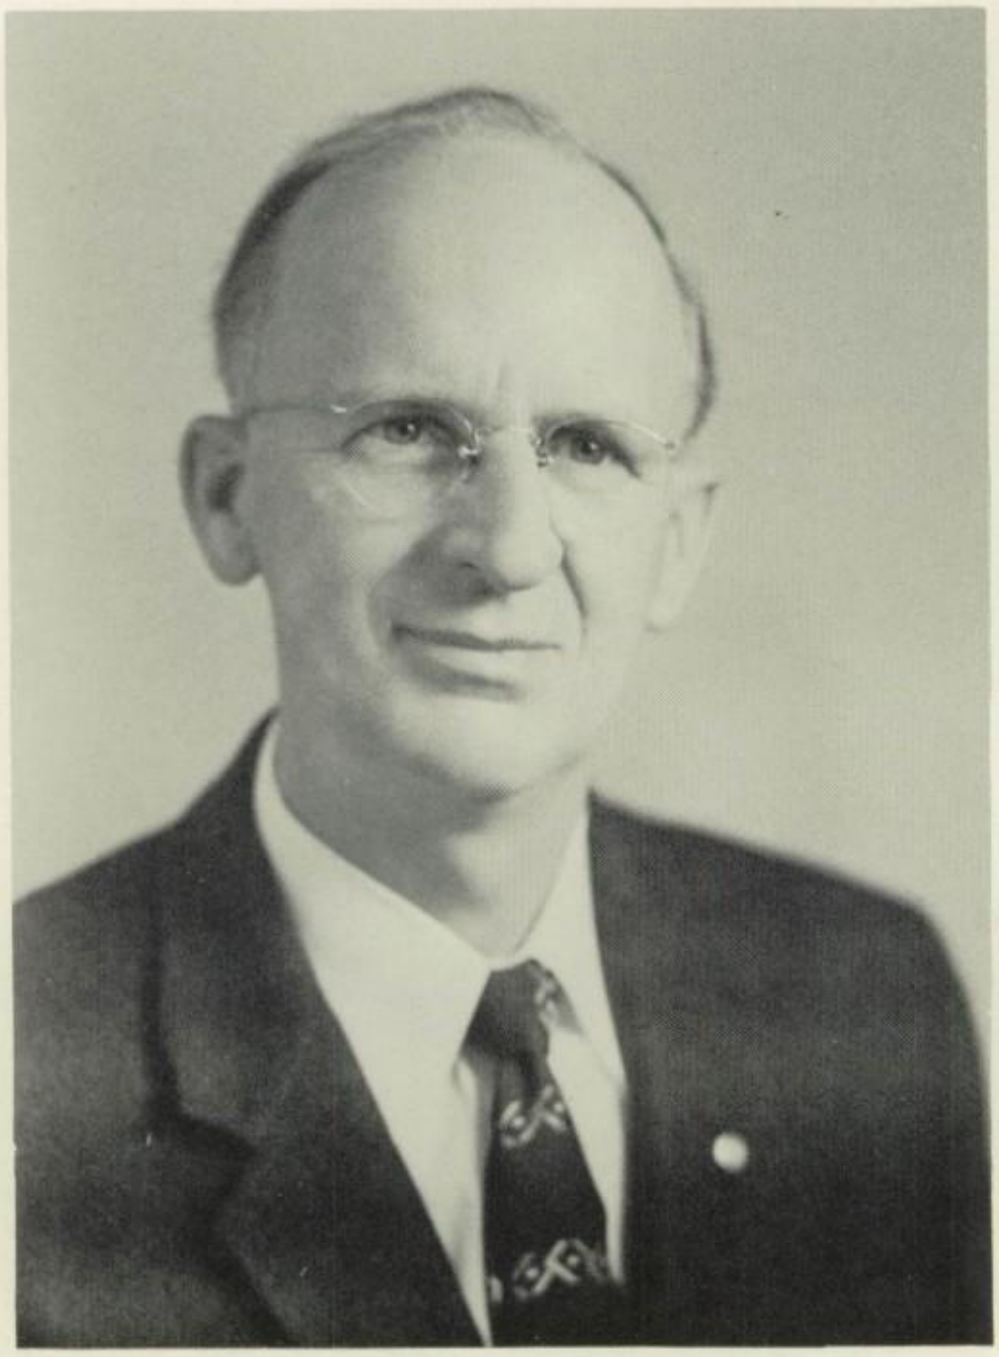
In Memoriam



MR. KENNETH THOMPSON MILLER

We, the students and faculty of Ragsdale High School, wish to express our deepest sympathy over the passing of Mr. Kenneth Thompson Miller, our beloved District Principal.

Mr. Miller always found time to listen to our problems and lend us a helping hand. His keen sense of humor has brightened many an otherwise gloomy day.

We all feel it has been a privilege to have been associated with as fine a Christian gentleman as Mr. Miller. He will long be remembered by those of us at Ragsdale High School.

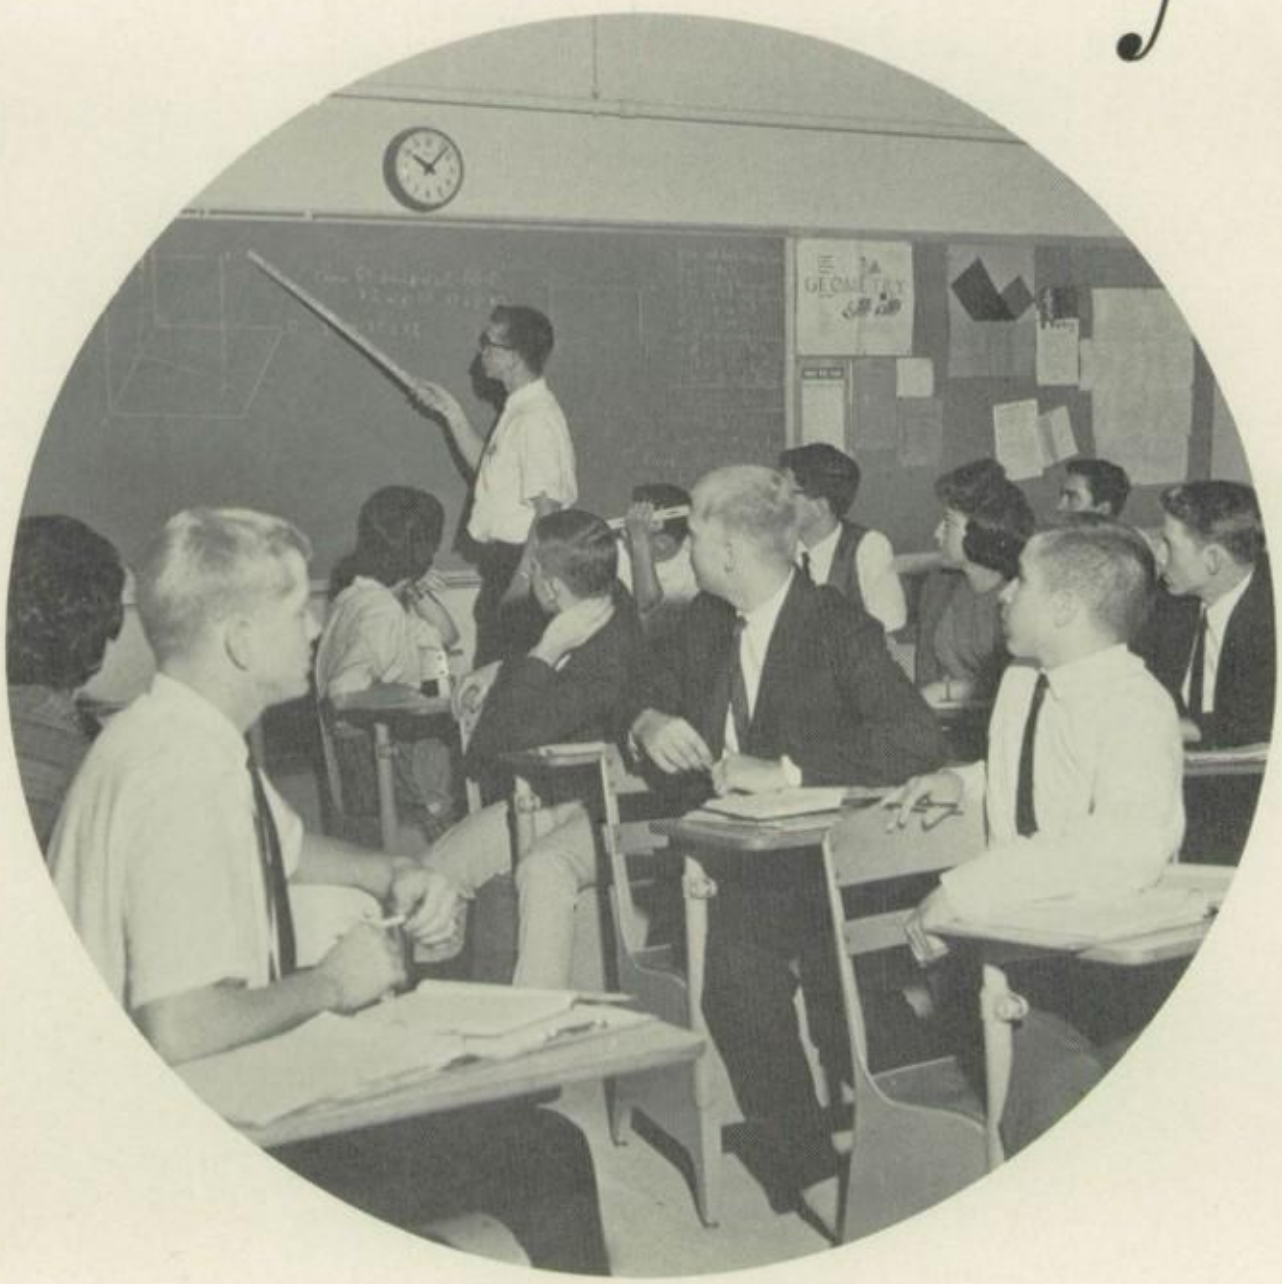
RAGSDALE

Academically



From the looks of this class, Solid Geometry is the course. Mathematics plays a very important part in the world around us and better prepares our minds to meet the demands of this the Nuclear Age.

This typical typing class is just one part of the commercial department, which prepares girls and boys for the business field which lies ahead of us all.

These students, part of Problems Class, are exploring the depths of reference books as they hope to find solutions to the problems of American democracy.

Home Economics helps prepare girls to cope with the problems that a future wife and homemaker will have to face in years to come.

Tests, tests, and more tests. That seems to be the routine of these students awaiting the signal to begin. The employment test which is about to be administered will help these seniors find future jobs.

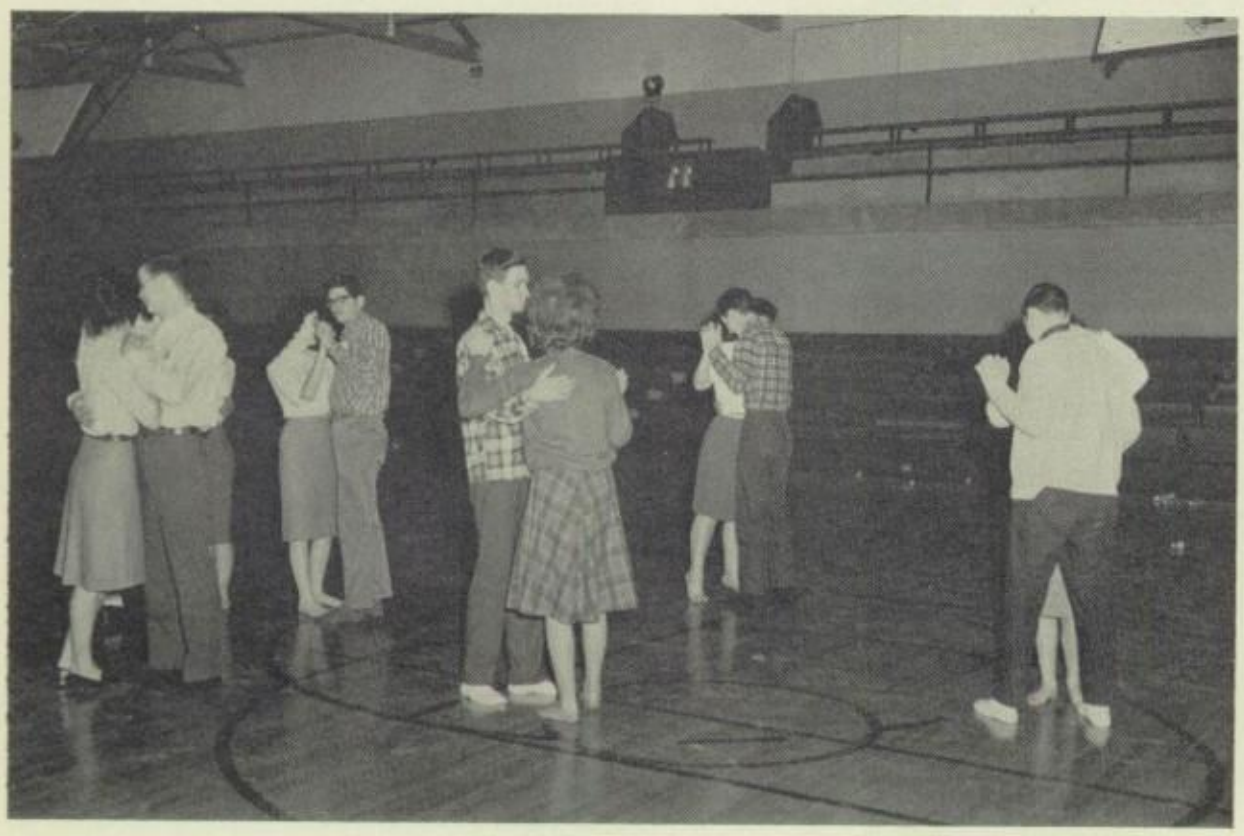
Socially

What better time than lunch period for a group of students to get together and talk over the happenings of the day?

It looks as if this bulletin board has caught somebody's attention. Announcements concerning social engagements are nothing new to the students here at Ragsdale.

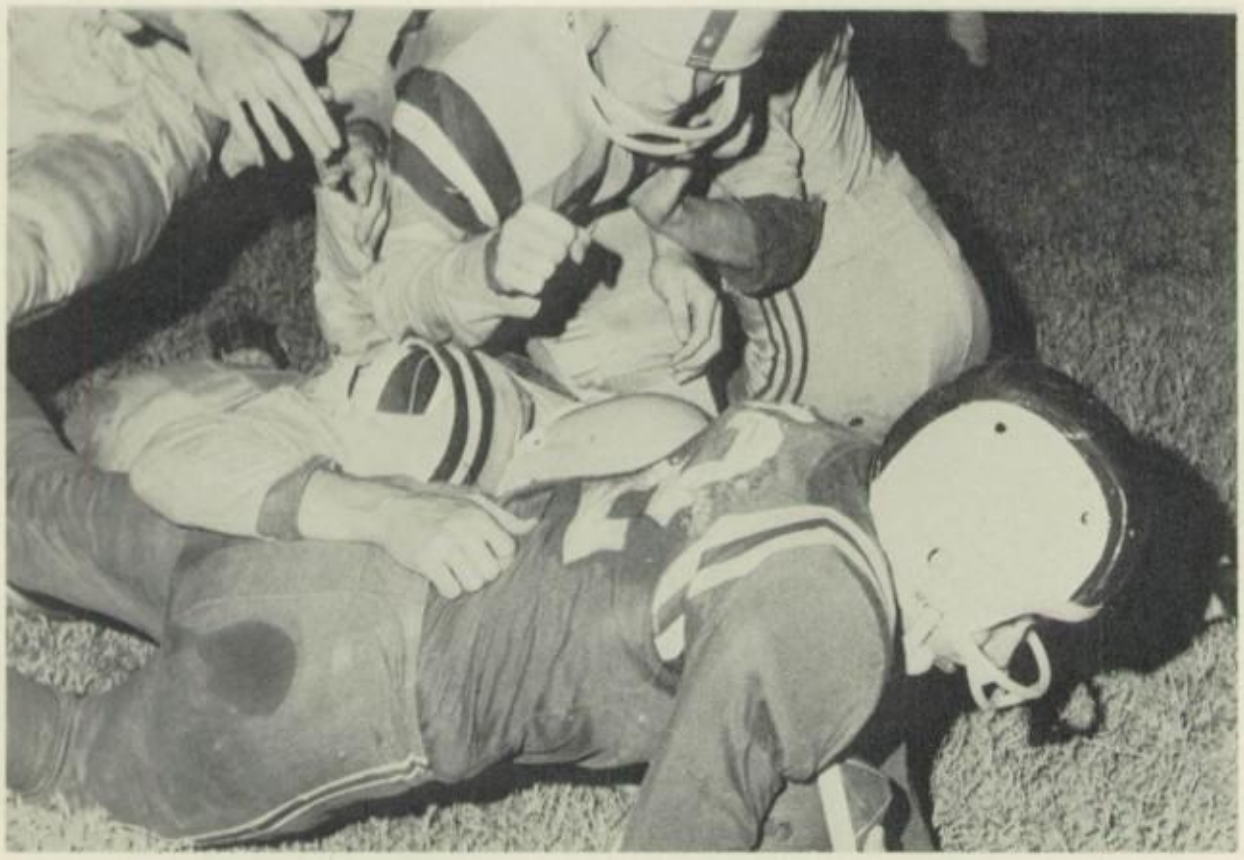
No, its' not the night of the prince's ball, but it is the night of the Junior-Senior Prom. To the upperclassmen, the night is the biggest evening of all here at Ragsdale.

Gathering around the ice cream shack seems to be the greatest social spot in the school for finding out the latest gossip and what's going on around Ragsdale High School.



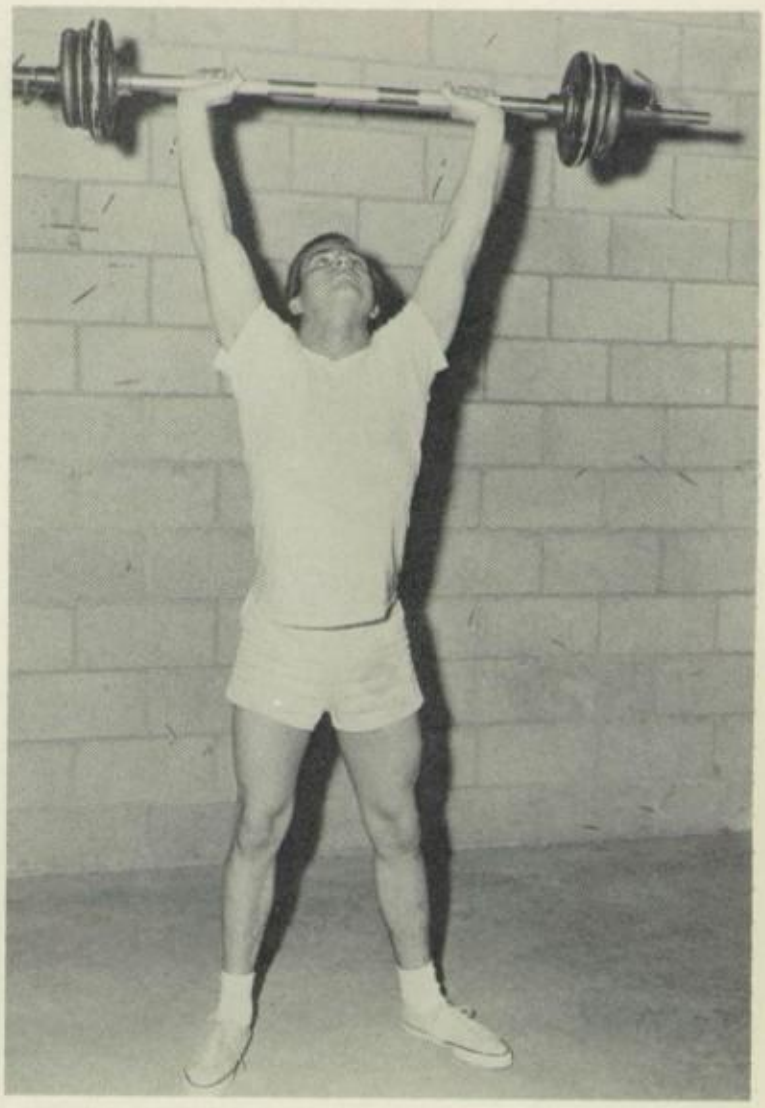
Whatever happened to the U.T. and the twist? These Ragsdale student are just beginning to warm their feet at one of the school's social functions.

Physically



"Hey, fellows, take it easy!! That's my man, my man Gerald, you got there." Football is all part of Ragsdale's physical activity schedule.

Anyone for basketball? This group of varsity players is an excellent example of the physical programs which Ragsdale helps foster among their neighboring schools.



"O. K. James, let's get those muscles in shape." The new addition of weights in the advanced P.E. dept. has uncovered new interest in several of the boys.

No this is not a line-up. These thirteen girls make up the Ragsdale cheering squad that accompanies our teams in their journeys around our conference. Through work and practice, these girls help foster the true "Big Blue" school spirit.

Looks like somebody pulled a sit-down strike! The coaches here at Ragsdale see that these energetic freshmen have a fifty minute work out every day to help bring them up to par and to put them in top physical condition.

DEDICATION

To a teacher who has served the students of Ragsdale and the school above and beyond the call of duty, we the Senior Class of '63 proudly dedicate this, the 1963 Echo. This dedication is a token of appreciation for the services he has rendered to the Senior Class, the Student Council, the Hi-Y, and all the students of the school. We will always hold dear the memories of the past year and wish all the happiness and success in the world to our "teacher of the year", Mr. Robert M. McCain.

FACULTY

Administration

A friendly word of encouragement, a helping hand extended when needed and an interest in each and every student at Ragsdale have caused the students to realize that the administration and faculty are interested in their welfare and exist only to help them. For the part that the administration and faculty have played in guiding the students academically, socially, and physically, each member of the student body wishes to say, "thank you!".

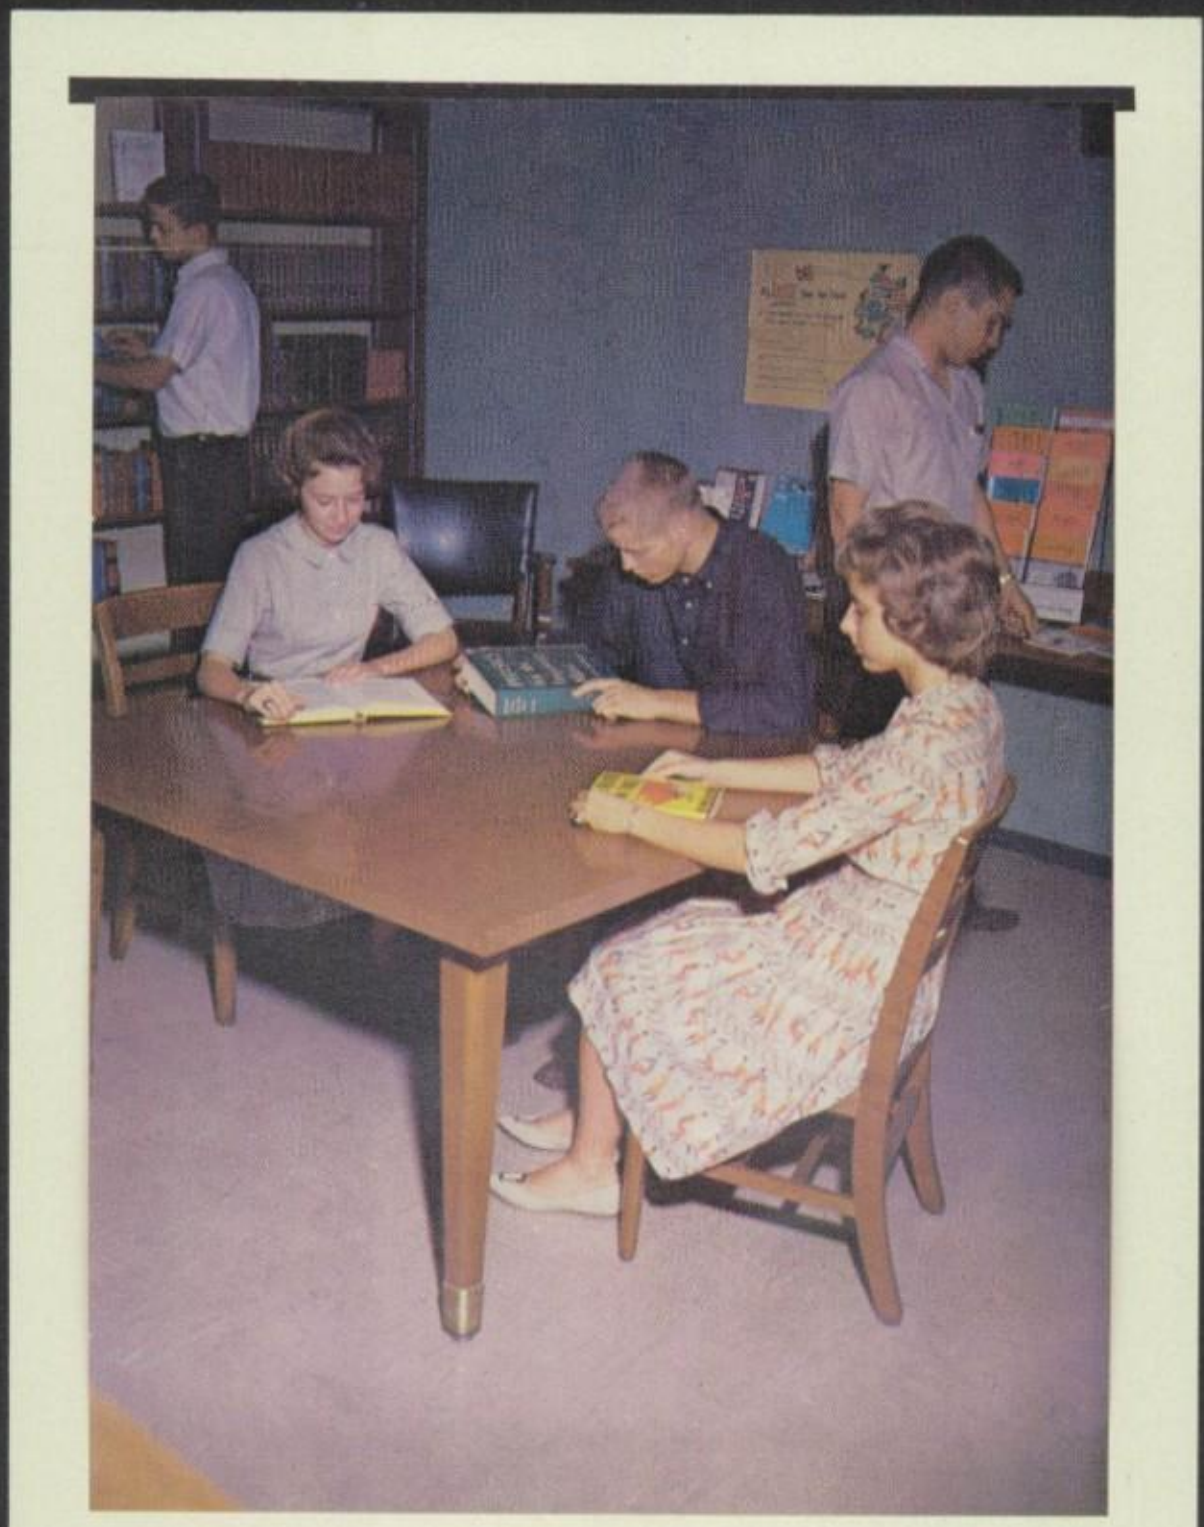
CLASSES



Classes

Freshmen, sophomores, juniors, and seniors--all have contributed to make Ragsdale High School the school that it is--academically, socially, physically. Each student has done his part in expressing his loyalty to his school by his display of school spirit at ball games. Most of all he has demonstrated his appreciation for the academic advantages offered by making use of every opportunity to delve more deeply in the subjects offered in the varied curriculum.

Senior Class

This has been a year the class of 1963 will long remember-academically, socially, and physically. There have been college entrance tests to take, employment interviews to schedule, to say nothing of term papers to write.

But to balance the academic program, there have been sports in which to participate. The highlight of the year was, of course, the Washington trip, made possible through the hard work of the class as they washed cars, sold candy, and magazines, and performed numerous other jobs to raise the necessary money.

In a short time the ultimate goal of all will be reached-graduation.

Officers

Don Petty, vice president; Mary Lewis Hayes, treasurer; John Ellis, president; Joyce Garst, assistant treasurer; Iris Faircloth, secretary.

Seniors

It takes intelligence to read the dictionary, especially when it's up-side down! So naturally Ken Miller and Joyce Garst are Our Most Intellectual Seniors.

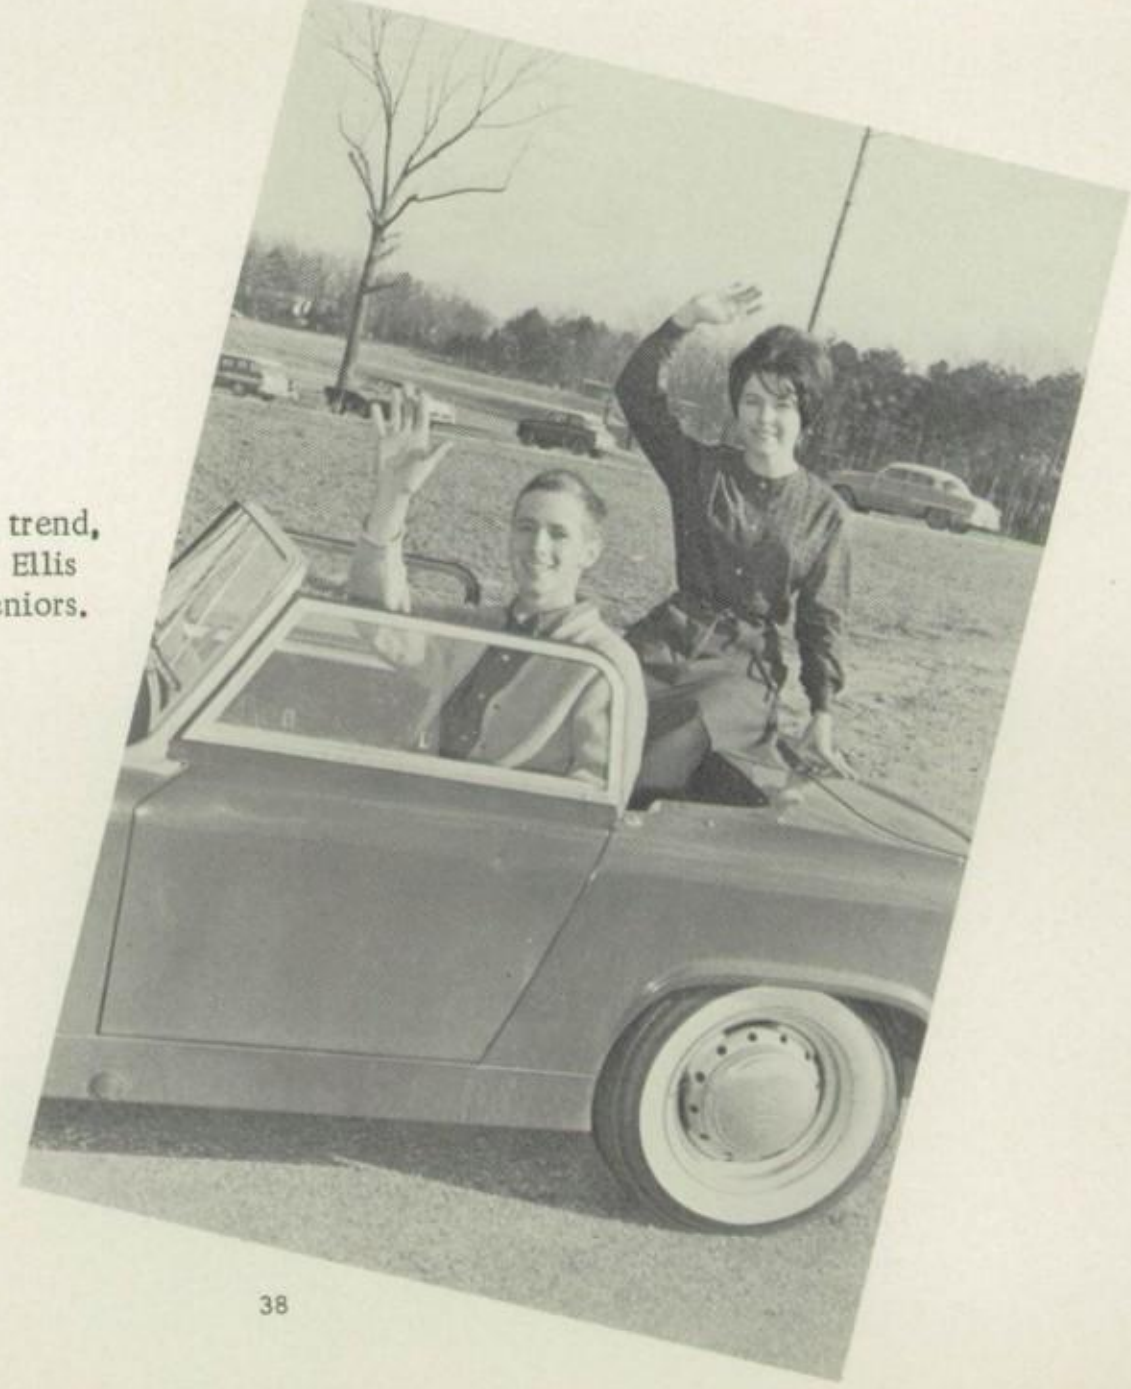
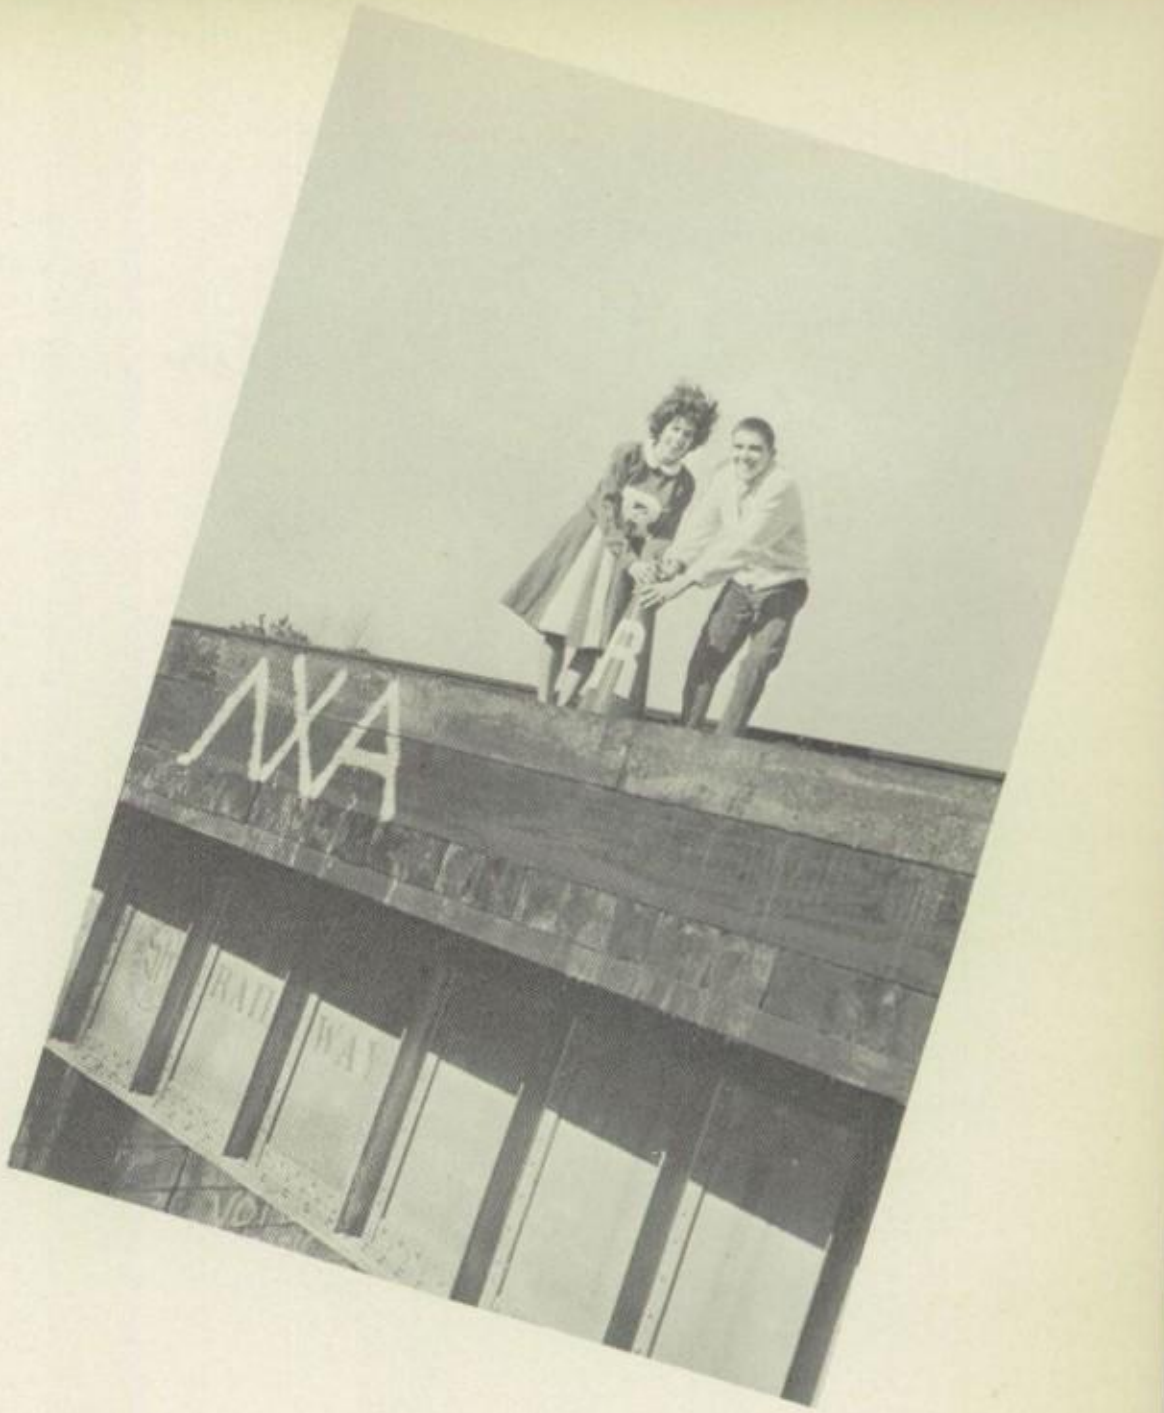
Where you see a piano you'll see Dicky Jones and where there is ice and skates, there is Dixie Wade. Our Most Talented Seniors are always ready to display their talents.

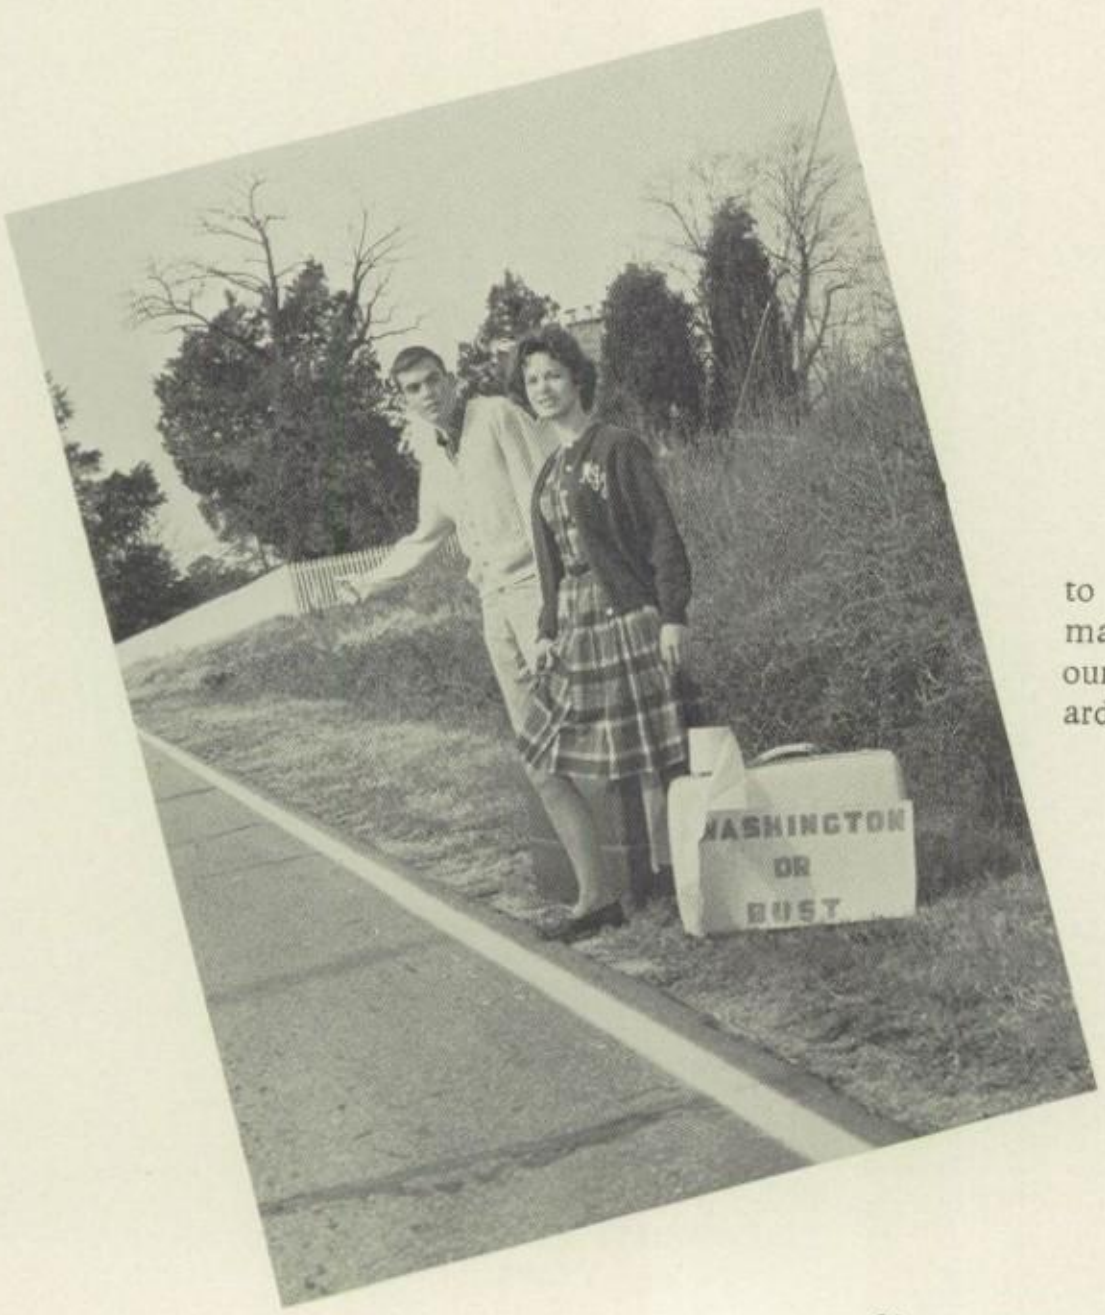
Though no one can ever be sure of the future, Mary Ann Horney and Howard Malpass have a head start on most, for they're our seniors voted Most Likely To Succeed.

Though sports cars are the present trend, they could never be as popular as John Ellis and Darlene Sams, our Most Popular seniors.





No, this isn't a plug for Southern Railway; it's just Dare Wrenn and Jerry Wall displaying the talents that made them the seniors with the Most School Spirit.



This may not be the best way to get to Washington and New York; but as normal Ragsdale seniors, you can be sure that our Most Typical, Mimi Tracy and Richard Conner, will get there somehow.

Junior Class

The junior class started out the year 1962-1963 by conducting a very successful magazine sale. Two other important occasions have high-lighted our year, the arrival of our long-awaited class rings and the thrill of planning for and attending our Junior-Senior Prom. Some of us enjoyed other new experiences, such as writing our first term papers, serving as school bus drivers, and participating in more activities than ever before. All our experiences have helped to add to the picture of Ragsdale High School.

Sophomore Class

For the class of 1965, this has been a year filled with new experiences-dissecting frogs, and even in some instances-cats, the thrill of taking Driver's Training and ultimately getting that little piece of paper which serves as a passport to drive the family car. For some there has been the thrill of participating in varsity sports, even in district play offs. For all there was the challenge of new subjects and new teachers and the enjoyment of being with old friends.

Freshman Class

For the freshman, the year started out as strange and wonderful. High school at last! There were new friends to make, a new building to learn, and new activities to enjoy. The class adapted quickly and soon settled down to enjoy the many offerings of Ragsdale --the challenge of new courses, the opportunities offered for extracurricular activities, and the chance to participate in the intramural or varsity athletic programs. The class will cherish many happy memories of their first year in high school.

Council

The Lucy Ragsdale High School Student Council has worked hard this year trying to bring about a better understanding between the students and the faculty members. The Council, with the aid of the faculty, sponsored the Homecoming Parade and various dances throughout the year. The Council's main project was the erection of a school sign in the front of the school building.

Even though the Council had many difficulties during the year, the Student Council feels that all its efforts truly made the year very successful.

The school year of 1962-63 has unfolded as a very successful year for the Echo staff. The staff is particularly proud and appreciative of the new publications' office which was set up this year. This work room made it possible for larger groups to work together and share in the fun and hard work of producing this annual. The staff has completed its one objective-to give the students of Ragsdale High what it hopes is the best Echo yet! In addition, the members of the staff wish to express their thanks to Mrs. Mary Lane, their sponsor, who has given her time and guidance without obligation.

The purposes of the Beta Club at Ragsdale are to promote citizenship, reward effort, and to inspire honesty.

Thirty new members were inducted into the Beta Club in a November assembly. The club also received two transfer members this year. Including the twelve senior members, the membership of the club this year was forty-four.

As members of the service club of Ragsdale, Betas were called upon to sell Fall Festival tickets and to act as hosts on College Day.

The Beta Club had as its main project this year the operation of the Beta Shop. In order to raise money, the members of the club sold Christmas wrapping paper and ribbon. The money made on both these projects was used to finance the club's trip to Asheville for the State Beta Club Convention.

New members are kept busy with shelving books, keeping the library neat and attractive, helping to process books, and in assisting in many of the duties of the work room area.

Social activities of the club includes a Christmas meeting, a special initiation of new members in the early Spring, and an awards dinner meeting honoring the Senior members in May. Other high lights of the years activities are a Book Tea given once each year to honor the faculty, a visit by Senior assistants to an outstanding college library and a tour of the campus. Debating Club

Officers
Steve Moore, Treasurer; Cheryl Venable, Secretary; Josette Murray, President; Carol Watson, Vice-President.

Debating is a rewarding experience for interested persons. The student who gives his best efforts gains much in return. Learning to organize needed material in logical order and supporting statements with facts instead of prejudices is a vital asset of debating.

Debating demands accuracy and sound reasoning. It requires a knowledge of the library. A debater learns to think under pressure and to make sound decisions.

Each spring the local team participates in the triangular debates held in the different districts of North Carolina. After the local triangle debates, the winning teams go to the district debates at Woman's College in Greensboro. The winners of the District debates then travel to Chapel Hill and the State finals.

The purpose of the club is to create, maintain, and extend throughout home, school, and community high standards of Christian characters.

Their slogan is "Pure thoughts, pure words, pure actions" and the ideals are "Clean speech, clean sportsmanship, clean scholarship, clean living."

The clubs appreciate the work of their sponsors, Miss Rose Corum and Mr. Robert McCain.

The Junior Civinette Club of Ragsdale was organized in March, 1962, by the Sedgefield Civitan Club.

It is an honor to be taken into the Junior Civinettes, for it is a club with high ideals. The purpose of the club is to be "Builders of Good Citizenship." Civinettes strive to cultivate good social relations and good fellowship, to co-operate in all kinds of activities, to promote clean living and good sportmanship, to make service a watch word, and finally to foster the ideals of the Senior Clubs.

This year the club was fortunate in having Miss Sink as sponsor.

The Civitan Club has just started, but already it has begun to grow in strength and is an outstanding club at Ragsdale.

The main project supported by the Jr. Civitans is the selling of fruit cakes at Christmas. This year half of the profits were donated to the athletic field fund. The other half will be used to help the community in some worthwhile project and to support an orphan in the United States.

Pep Club

Though the Pep Club may not be the largest club at Ragsdale, it does have the distinction of having the loudest membership.

The only requirement for membership in the Pep Club is attendance of athletic events.

F.H.A.

The Ragsdale F.H.A. Chapter is affiliated with the state and national organizations. Membership is voluntary; pupils who are enrolled in a home making class or have one unit credit are eligible to belong to this organization. The over-all goal of the organization is to help individuals improve personal, family, and community living, now and in the future.

The members enjoy going to and participating in the district and county rallies. They also have delegates to the State Convention in Raleigh.

The chapter has monthly meetings at which time business is conducted and programs planned by F.H.A. members are presented. One of the highlights this year was a Christmas party honoring the mothers of the members. The cafeteria was decorated and the entire student body enjoyed the Christmas atmosphere there.

National F.H.A. Week was observed by the chapter in April. This is a special time when the work of the club is emphasized by bulletin boards, exhibit cases, and many other activities carried out by the members. A picnic in the spring at City Lake Park climaxed the F.H.A. year.

The Senior Band performed at all of Ragsdale's football games. This year it performed at both playoff games as well as at all other games. This is only part of the services of the Band. It tries to please everyone whether entertaining or playing background music.

This year's band is privileged to have new uniforms, the first new ones since about 1950. Selling chocolate is going to be the main means of support for the band this year as it has been for the past four years. The members are fortunate in having an organization known as the Band Booster, which helps financially.

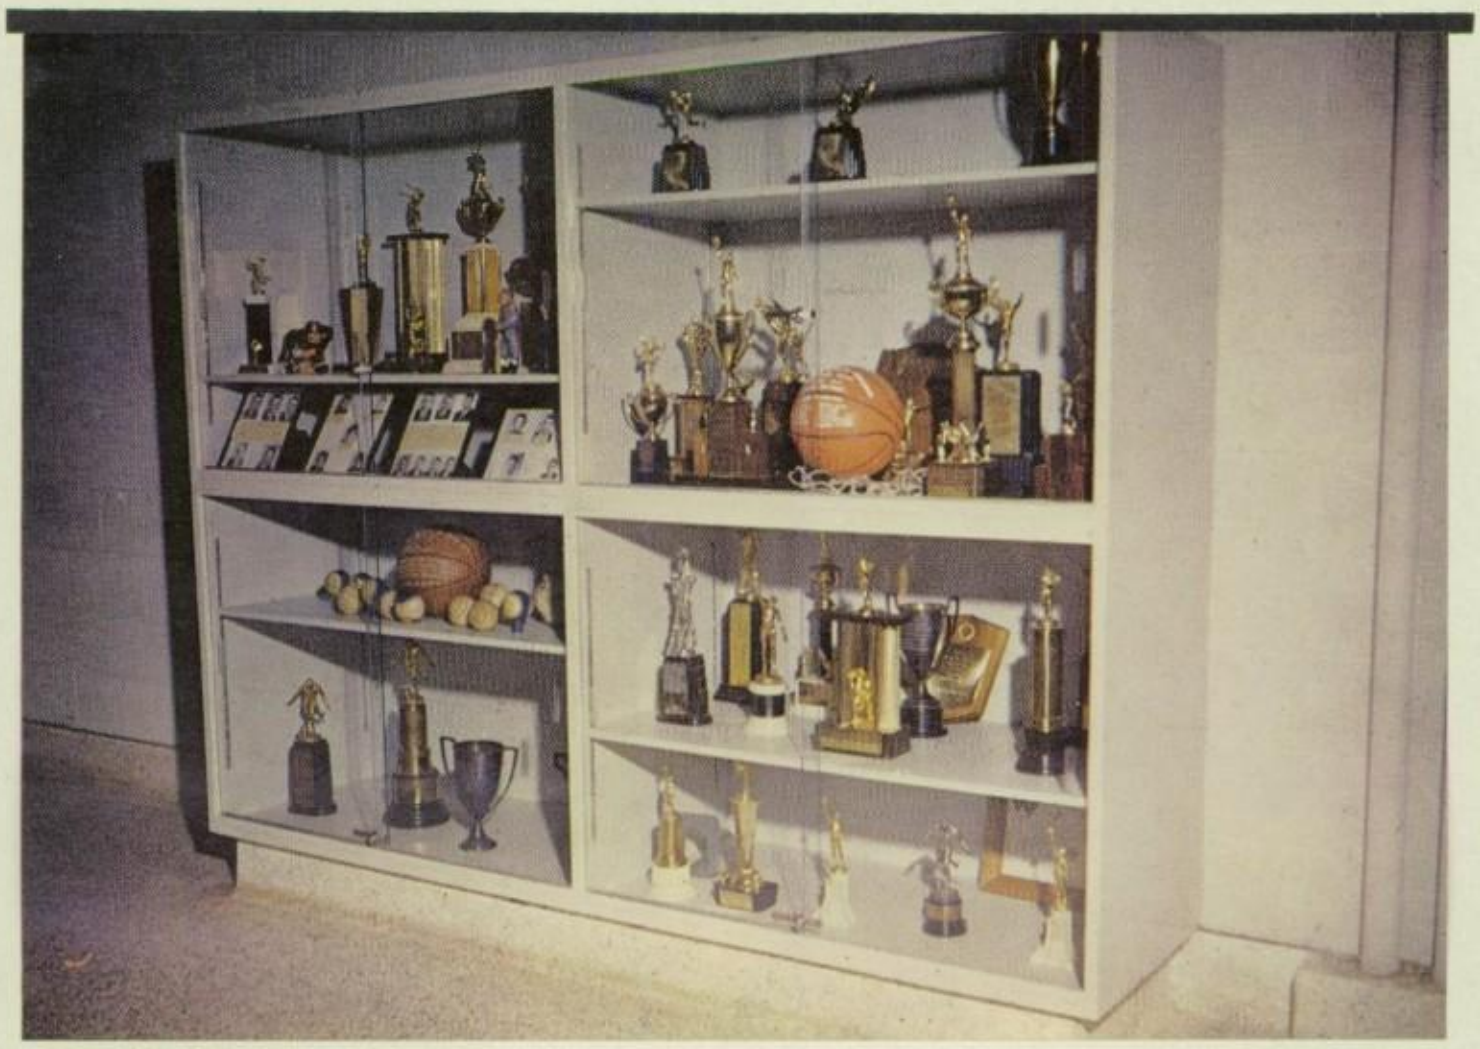
SPORTS



Athletics 1962-1963

An integral part of Ragsdale's activities is its athletic program. Headed by an able coaching staff, a variety of sports are offered for those students who are athletically inclined.

Every season of the year has something to offer the students of Ragsdale. The coaches have organized an excellent intramural program for those not interested in participating in varsity sports.

The cheerleaders have done much to aid the teams in having a very successful year.

In the first game of the play-offs, the Flying Tigers romped over Bessemer City on the strength of a second half offensive show. This victory entitled them to meet Erwin for the regional title. After holding a slim halftime lead only to see it vanish in the second half, the Tigers rallied their forces and returned the following kick-off for the score that enabled them to be declared regional champions. Thus the Flying Tigers went as far as it is possible for a North Carolina 2-A team to go.

Boys' Varsity Basketball

Discussing their strategy with Coach Hunt are co-captains Ken Miller and Gerald Stephens.

Under the able leadership of Coach Donnie Hunt, this year's edition of the Ragsdale basketball team was the best that Ragsdale has ever had, and the best that Jamestown has seen in a long while. The Tigers were in the running for the regular season championship until they were outhustled by a weaker Gibsonville team. This loss dropped them to third place which they held onto tightly for the rest of the season. The Tigs closed out regular season play with a much-wanted, revenge win over Northwest which gave them a 16-4 record for pre-tournament play.

Candie Black and Kitty Jowers go for the ball in the Northwest game.

Team work and good sportsmanship brought the Tigerettes through.

The Girl's Varsity Basketball team closed the season with a 12-6 record. The hustling, determination, sportsmanship, and coaching of Mr. John Holbrook weren't quite enough for a good season. Nevertheless, the girls fought hard, and in victory or defeat, they were ever proud to wear the "blue and white" as members of the 1963 Varsity team.

Coach Holbrook discusses a new play with co-captains Kitty Jowers and Mary Ann Horney.

Central Carolina Conference Champs

The 1962 Ragsdale Tigers won the Central Carolina Conference for the second consecutive year. They closed the season with a perfect record. The returning lettermen should set the pace for Ragsdale in 1963. They hope to have another good season.

Ger,

It's Nolly been great knowing you ever since I was in the 7th grade. Remember when you played on our Pony League team that year. It's always been a great thrill to be on the same team with you. It's going to be rough without you. You always gave a team something extra and everyone knows that you're going to be hard to replace. Good luck in whatever you decide to do - I hope I see you this summer and a lot in the future too.

I have enjoyed being in such classes as English IV and Problems with you. You are such a fine handsome boy with a bright shinning personality.

Gerald, this is what Clay Neal dictated for me to write in this your annual. Now I'll write what I want to.

I have really enjoyed having classes with you this year. Your unusual sence of humor brightens up any day. I got many laughs from your candid remarks. I'm sure your life will be filled with happiness, and success.

Best wishes and lots of luck for someone I'll never forget. I hope our paths may cross many times in the future.

There is a lot I would like to say but I'm no good at expressing myself. 1st let me say that it sure has been a pleasure knowing you the short time I've been around. The New York trip was unforgettable, what a riot. Take good care of yourself in college and make the most of your future opportunities. 2nd I'll say you're a helluva good guy.
Good luck buddy,
Chris Clark

Dearest Gerald!

The final curtain draws near to closing, I think of my high school career and a tear forms in my blue + white bloodshot eyeball. It has been - sniff! - sniff! (excuse me - choked up you know) swell going through Beauty - P.A.O etc. with you. Best of Luck and deepest sympathy!

Mr. Edgar Gerald Stephens,

I guess I'll start out like everyone else and say we had a lot of fun for 4 years. We still have 4 more years of college heck-raisin' to look forward to. When you graduate from college you won't have to sweat getting a job. If you can't find one anywhere else you can get a job in a circus making that god-awful noise of yours. As you go through life, always remember Latin class and Physics and your life could never be dull. Stay good, never be yourself, and you will become a success in life.

Many Mucho Yucks and always remember, a banana is like a snow flake. They both fall from spaghetti trees.

Maybe some day we will bump into each other and both end up in the hospital.

Ricky D. Conner

You're quite a person Gerald - humorous, athletic, congenial, and 1001 other good qualities. It's an honor to say that I know you.

I'll never forget your great run at Sanford. It was probably the most thrilling event I have seen in athletics since I've been going to R.H.S.

I hope to see you next year at the greatest college — CARDINAL. Best of luck to you in all of your undertakings. And for you I wish the best.

Love ya!

Gerald,

It's been [redacted] real pleasure knowing you. Gerald, buddy, bunk, room mate, etc, I've enjoyed being your friend these past few years. and I hope we'll be good buddies next year or I'll kick your tail out of the room. All of us "Carolina Gentlemen" will really have a good time next year along with all that studying + cramming etc.

Seriously, Gerald, I think you one of the finest boys I've ever known. You're a great athlete and you have a wonderful personality. Good luck always to a real great guy.

I probably see you next year after you flunk out of U.N.C. and come back to being janitor of Highland Containers. Don't know too many of those college girls and be a good boy while you're away. All kidding aside;
Best of luck to you in everything you set out to do (everything!) and continued happiness.

Your Pal,
Ken S.

Gerald,
We have had a lot of fun in our high School days and we have a lot of good memories. I wish for you the best of everything, for you deserve it and I'll see you at work this summer.

Your Pal
Ernie

It has been a ball knowing you these past years. You are real swell guy whom I have enjoyed playing ball with and being in class with. Here's hoping your life is full of success and happiness.
Bill Cunningham

My darling sweet, adorable Gerald. No one can say how much I love you. With love
Jerry Wall

Ger' Baby,
Well, here it is. We've been waiting for it a long time, haven't we? You know, now that it's here, I'm not so sure that I want to leave this place. I'd be happy to come back and play just one more year. Next year, they're gonna be tough with those TV uniforms that Coach is getting. In fact, I'd give some money to play again.

We've had some real good times together these years. You're the boy who I think that I am closest to. I hope you feel the same about me. I remember all those times we doubled on Saturday nights. Remember a certain flashlight shining around the car? That scared the you-know-what out of me.

Even though you're going to a prep school next year instead of a college, I hope you'll like it. I don't know how you could, but maybe you can. Remember I'm only 6 miles away, and if you ever need anything I'll be there.

Your buddy, Ken

Gerry,

This year went by so fast I hardly know your name. Could we ever forget all the "raising" we did in high school, especially this year. I only hope that we as close in the future. I hope you do o K in that prep-school Ken spoke of. I know where ever you go there will always be friends waiting for you. There could only be one Gerald Stephens and I hope you never change. We will have to get together some days during college next fall and bring back some old memories.

Hope we make some real money ~~next year~~ this summer at Highland. See you over there.

Jerry,

This year has gone by pretty fast and I know I will miss you next year. You helped Mrs. Pierson make French I fun for me this year! What would I have ever done with myself after school if I hadn't had to take you somewhere? Life would have just been too easy.

I hope you have a ball in college but I hope college life doesn't ruin you like it does so many. Always stay the sweet boy I knew three years ago.

Love ya,
Sheila Winslow

Gerald,
I have enjoyed
this year. I will always
remember her at the beach with

Gerald,
Well, we've sure had some unforgettable year at school and year I don't guess I'll go into detail on the "remember stuff" I don't think it would be too wise. We've had a lot of cool boppin times & I could go on about the A's W's and Kerrin after games: I must leave out. And I'm sure you and Dale are just a few of us who've done there but there about things we've done but there well. try anyway and be good to Polo. I'll be come to see you at the LAKE. as much as I can get away with it. Margum

Bucky

P.S. All the luck in the world to you & Gail you've got a real cool girl there so keep it that way.
